

# **2<sup>nd</sup> Annual Ride for Research ATV Rally**

**All Proceeds Benefit Cancer Research**

We have all been touched by Cancer at one time or another in our lives. Today in the year 2006, Cancer has become one of the leading causes of death among all ages. We as a local group of volunteers are trying to make a difference and help Cancer Research by sponsoring an ATV Rally.

The 1<sup>st</sup> Annual "Ride for Research" was held last year and was a huge success with 243 ATV's attending, raising over \$7500.00 for Cancer Research. This year the 2<sup>nd</sup> Annual "Ride for Research" will be held Saturday, September 16, 2006 at the Rathmel Run Hunting Preserve on Wayne Road, Reynoldsville, PA. With your support we can reach or exceed this years goal of \$10,000.00

We are looking to community members and local businesses to join us in this worthwhile endeavor. For your consideration we have put together 2 different choices of donations that you, your company or corporation could make to help "Ride for Research 2006" a huge success. In appreciation for your donation, "Patron Signs" will be displayed along the Trail Route.
